

# WCTC Viewbook 20-21

Hands-on  
Higher Ed

# I NEVER KNEW COLLEGE COULD BE LIKE THIS.

Say goodbye to everything you think you know about college. Today's students need more than credit hours and lecture halls to succeed in the workplace. They need hands-on experiences and real-world scenarios guided by industry leaders. That's why, at WCTC, we're focused on skills instead of semesters. We take pride in the experienced instructors you'll learn from, the cutting-edge equipment you'll practice on and the successful graduates we send out into the community.

This is affordable. This is effective.

THIS IS *Hands-on Higher Ed.*

# 8 WEEKS CLOSER TO YOUR DEGREE

*Life happens!* That's why WCTC has made the switch to a year-round academic calendar with most courses offered in 8-week terms.

We recognize that our students have busy lives outside of school that can make taking on a full-time course load unrealistic. In fact, almost 80 percent of WCTC students enroll part-time, meaning they take less than 12 credits each semester. This new format aims to make earning a degree in two years more realistic for the average student.

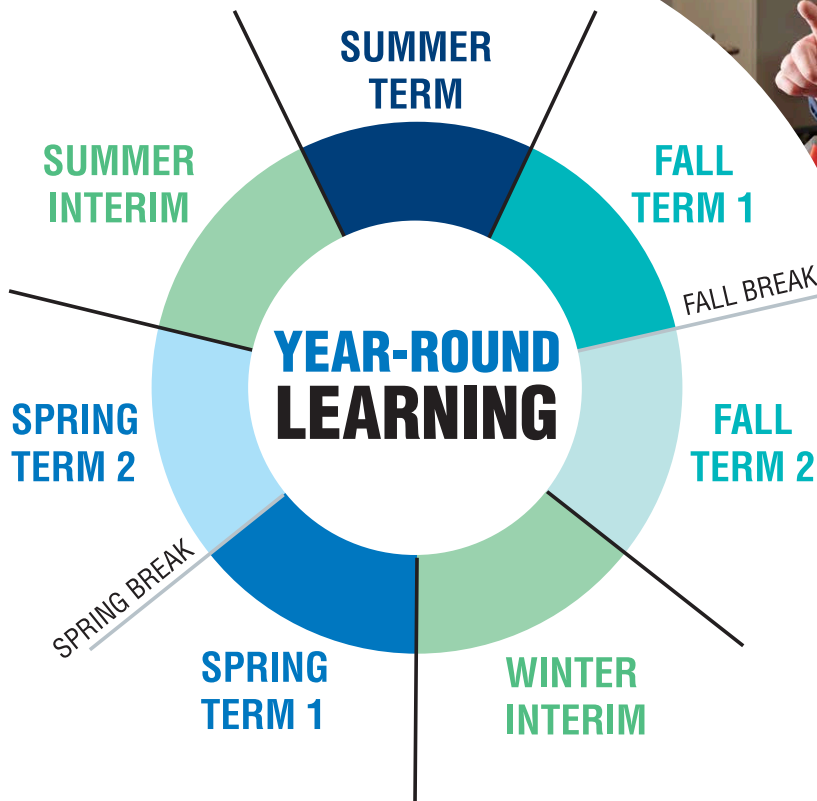

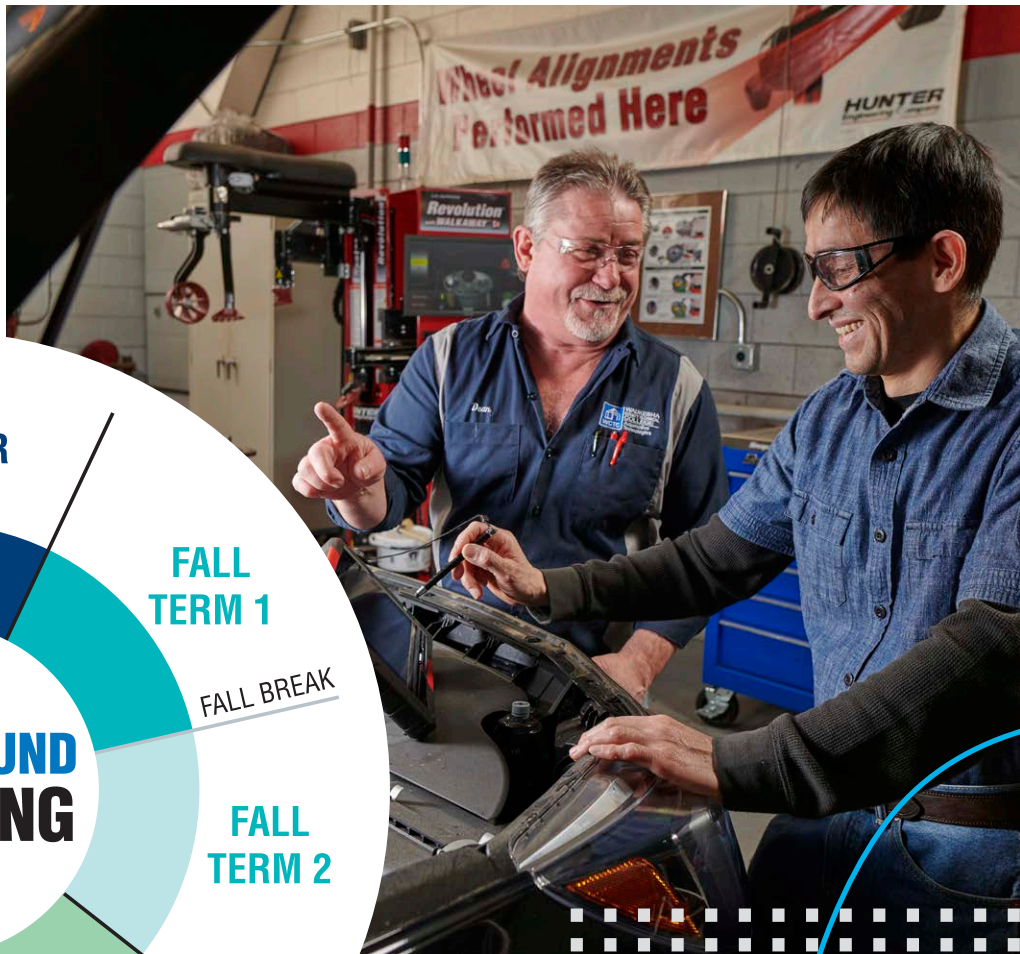

*With 8-week terms, you can...*

- Finish a class in just 8 weeks, rather than the traditional 16 weeks.
- Complete more credits each semester and earn your degree faster.
- Engage with instructors and classmates for the same number of hours, but in fewer weeks.

*Why the switch?*

The answer is simple: student success. WCTC programs that have already been operating in an 8-week format have shown significantly higher success rates in these shortened terms. Your success is our top priority!

For more information go to [wctc.edu/8-week](http://wctc.edu/8-week)

# 10 REASONS TO CHOOSE A TECHNICAL COLLEGE

Technology is changing fast, and so is the workplace. If you want to succeed, you need to keep up! A technical education is focused and relevant, preparing you for today's emerging careers while saving you both time and money. Here are just a few reasons to choose WCTC:

1

## PERSONAL ATTENTION

Many students feel lost in large lecture halls and learn better in small classes with individualized attention. WCTC's average class size is approximately 16 students, so your instructors will get to know you well and help you achieve your personal goals.

2

## FLEXIBLE COURSE SCHEDULES

With our year-round academic calendar, most classes are just eight weeks long. Plus, online and evening course offerings make it more convenient than ever to fit a WCTC education into your life.

3

## EARN & LEARN THROUGH INTERNSHIPS

Hundreds of local employers sponsor internships and practicums for WCTC students, allowing you to gain relevant work experience while earning college credit. Approximately half of WCTC internship students stay full time with their employer upon graduation.

6

## HANDS-ON LEARNING

Rather than simply memorizing theory, you'll apply what you learn through hands-on projects. This applied approach helps reinforce concepts and keep you motivated.

7

## STATE-OF-THE-ART FACILITIES

Our students learn on the most advanced technology available in their fields, from world-class IT networking labs to the cutting-edge Terry Lutz Integrated Manufacturing Center to the technologically sophisticated Human Patient Simulation lab.

8

## CREDIT FOR PRIOR LEARNING AND TRANSFER OPPORTUNITIES

Incoming students can earn significant credit through their school, work and life experiences. WCTC grads can take advantage of many agreements in place to seamlessly transfer their credits to four-year colleges and universities.

A photograph of a large, modern building with a red roof and large glass windows, illuminated from within. The building is surrounded by greenery and a lawn. The sky is a mix of blue and purple, suggesting dusk. The WCTC logo is visible on the building's facade.

4

#### **AFFORDABLE TUITION**

WCTC delivers an incredible value, with tuition and fees priced thousands below most public and private colleges in the state. Financial aid, scholarships and loans can make your education even more affordable.

5

#### **DEDICATED INSTRUCTORS WITH RELEVANT WORK EXPERIENCE**

Most of WCTC's instructors have master's degrees and/or industry-specific credentials in their area of instruction, and they know how to combine theory with real-world examples.

9

#### **RESPECT OF AREA EMPLOYERS**

Employers consistently hire WCTC grads because they know they have the skills to contribute immediately. Every WCTC academic program is guided by advisory committees of industry professionals, and those 700+ professionals ensure that what we teach in the classroom reflects employer expectations.

10

#### **HIGH RATE OF EMPLOYMENT**

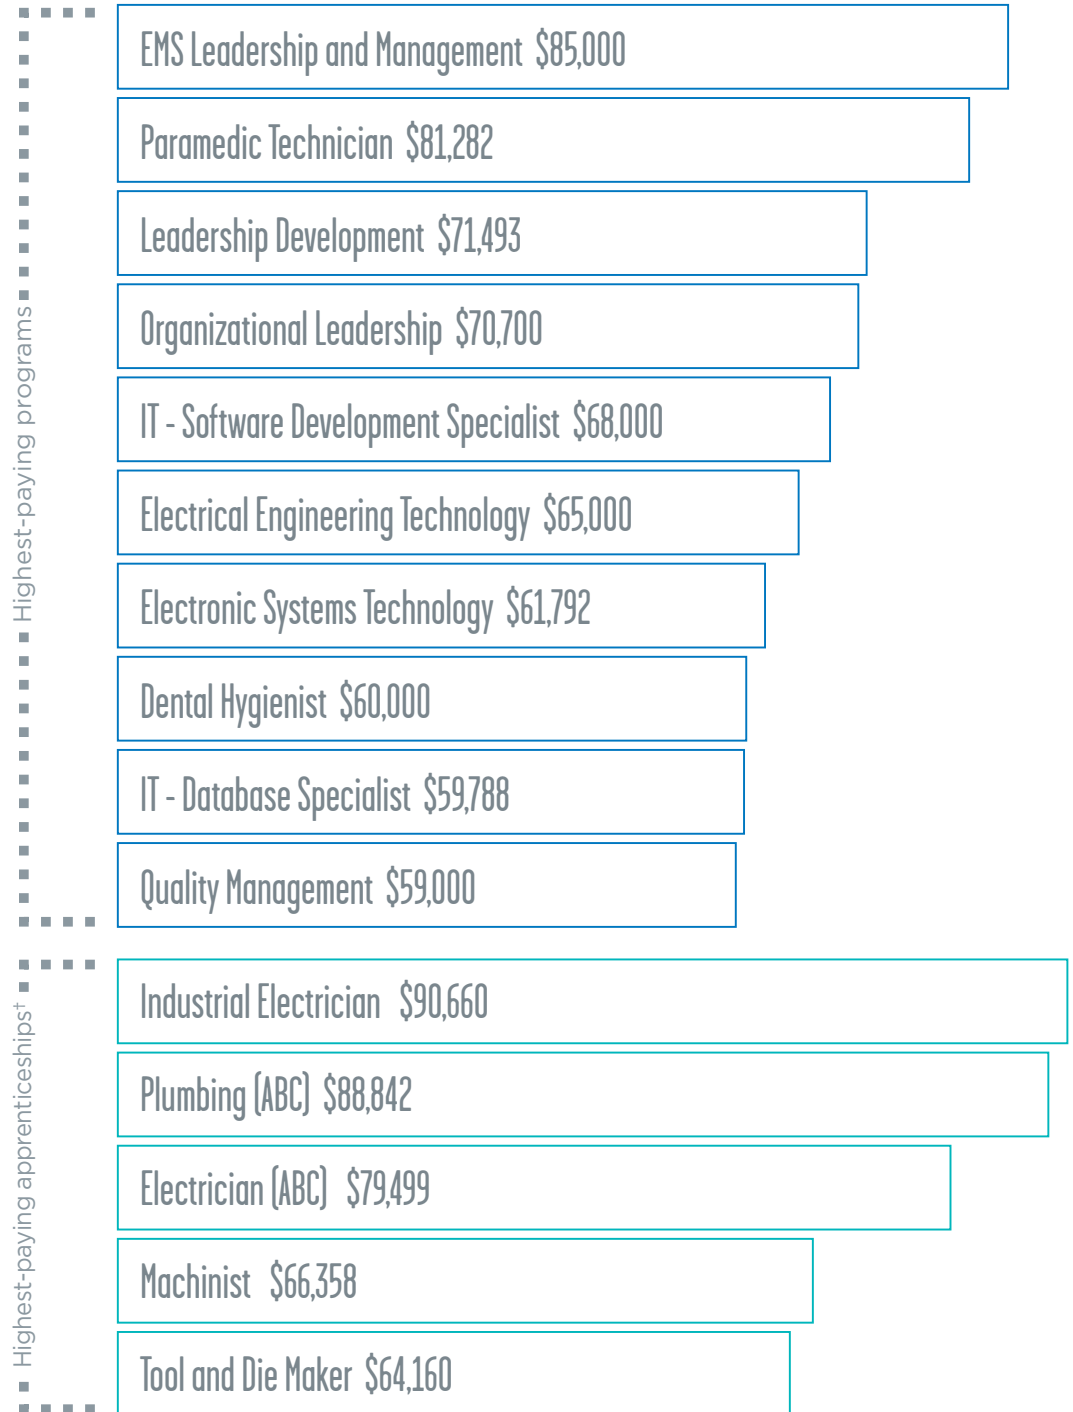

WCTC graduates are in high demand! In fact, more than 14,000 Milwaukee area jobs posted on Wisconsin TechConnect each year directly relate to a WCTC degree.

CONNECT WITH WCTC

# WOW-WORTHY WAGES

Our grads start strong! Check out our top-paying degrees below, with average starting salaries of real WCTC graduates.

Source: WCTC's Graduate Success Report; median salary for full-time related employment 2017-2019 (min. 5 salaries reported)

Apprentices are surveyed at the completion of all requirements, which may include several years of paid on-the-job training after completion of all paid-related instruction.

# PROVIDING INNOVATIVE CHOICES

## New programs at WCTC

### 1 Autism Technician

**30-CREDIT TECHNICAL DIPLOMA** | [WCTC.EDU/AUTISM-TECH](https://wctc.edu/autism-tech)

Due to increased awareness and improvements in diagnostic criteria, the number of autism spectrum disorder (ASD) diagnoses is on the rise. This new technical diploma aims to help meet the growing need for highly qualified professionals to support individuals with autism.

- Participate in a practical internship supporting individuals with ASD in a school, community or agency setting.
- Explore a comprehensive curriculum that covers the behavior, sensory and communication needs, and medical aspects of ASD.

### 2 Construction Management Technology

**60-CREDIT ASSOCIATE DEGREE** | [WCTC.EDU/CONSTRUCTION-MGMT](https://wctc.edu/construction-mgmt)

Innovative technology has changed construction sites across the country – a trend that is sure to continue. If you're ready to become a leader in today's construction industry, this new associate degree program is for you! Hone your technical and engineering skills while exploring the business and management aspects of the industry.

- Learn how to manage contractors and construction workers to meet project deadlines and overcome potential obstacles.
- Get help securing a hands-on internship in the construction management industry.

**APPLY ONLINE NOW**

[wctc.edu/apply-online](https://wctc.edu/apply-online)

### 3 Electricity

**28-CREDIT TECHNICAL DIPLOMA** | [WCTC.EDU/ELECTRICITY](https://wctc.edu/electricity)

If you enjoy a technical challenge, a career as an electrician may be right for you. In this new technical diploma, explore the latest trends in the industry and learn through hands-on practice with the latest tools and technology.

- Learn to read construction drawings and use appropriate safety measures when working with electricity.
- Prepare for careers in residential, commercial and industrial settings.

### 4 Electrical and Instrumentation

**36-CREDIT APPRENTICESHIP** | [WCTC.EDU/ELECTRICAL-INST](https://wctc.edu/electrical-inst)

Earn while you learn in this new apprenticeship program! Learn to install, troubleshoot and maintain complex electrical equipment. Learn to service high voltage electrical systems in accordance with relevant codes, and to install, calibrate, test and repair electronic equipment.

- This is a niche industry, with many employers seeking apprenticeships with this specific skillset.
- Become an ideal candidate to work in high-production industrial settings with constant quality control and calibration needs.

# SPEND LESS. SAVE TIME.

## Check out the tuition comparison chart\*

According to the Federal Reserve, the average four-year college student graduates with more than \$32,000 in student loans, but college doesn't have to be a debt sentence. Find out just how affordable a WCTC education can be.

## WCTC Costs

Credit(s)	Cost
1	\$138. <sup>90</sup>
2	\$277. <sup>80</sup>

Carroll University - \$32,000

Marquette University - \$43,350

Milwaukee School of Engineering (MSOE) - \$41,820

Mount Mary University - \$31,450

\* Tuition costs based on two semesters with 18 credits.

WCTC credits  
are about

$\frac{1}{2}$

the cost  
a four-year degree  
in

$\frac{1}{2}$  the time.

# SUCCESS WITHIN REACH

## Timeline to enroll

Follow these steps to start your journey at WCTC. Our friendly Admissions staff is here to help with any questions you have along the way. A few things to keep in mind:

- Deadlines and requirements may vary by program
- Find the most up-to-date information on your program's webpage at [wctc.edu/programs](http://wctc.edu/programs).

### WCTC ADMISSIONS

[wctc.edu/apply](http://wctc.edu/apply) | 262.691.5200 | [info@wctc.edu](mailto:info@wctc.edu)

1

#### Online application

Apply online at [wctc.edu/apply](http://wctc.edu/apply) and pay the \$30 application fee.

2

#### Send transcripts

Send your official high school or GED/HSED, college and/or military transcripts to WCTC. Transcripts must arrive at WCTC in the original sealed envelope or from a verified electronic transcript delivery service.

Mail to:  
Office of  
Admissions  
C-019  
800 Main Street  
Pewaukee, WI  
53072

3

#### Placement assessment

Demonstrate your reading, writing, and/or math skills in one or more of the following ways:

- High school GPA of 2.60 or above\*
- Official ACT, ACCUPLACER®, Compass, Asset, GED-2014 Series (165 or higher), or TABE Advanced test results\*\*
- Completed college coursework may meet this requirement in whole or in part\*\*\*

If none of the above apply, sign up for the ACCUPLACER® placement assessment at [wctc.edu/accuplacer](http://wctc.edu/accuplacer).

4

#### Complete additional program items

Refer to your program's webpage for any specific additional requirements needed for admission.

WCTC's ACT  
School code is  
**4671**

\* Within the last fifteen years

\*\*Scores no older than five years are accepted.

\*\*\*Courses must be in the specific area(s), and you must have earned a grade of C or better (2.0 on a 4.0 scale) in the courses.

## Deadlines

The application process varies between degree programs. Check out program-specific requirements and deadlines at [wctc.edu/programs](http://wctc.edu/programs).

## ENROLL

Students who are **not** enrolling in an Associate Degree or Technical Diploma program

*start here!*

### FAFSA

Follow the steps on page 13 to apply for financial aid that can help you pay for college.

Watch for your acceptance letter!

### Complete the online New Student Orientation (NSO)

With NSO, you'll receive information on campus resources and a Registration Guide that will prepare you to register for courses. Sign up online at [wctc.edu/orientation](http://wctc.edu/orientation).

### Register for class

Course registration is on a first-come, first-served basis, so register early to guarantee your course selections. Create your student account at [wctc.edu/registration](http://wctc.edu/registration) and register for courses in one of the following ways:

- Online through your MyWCTC account
- Over the phone by calling 262.691.5578
- In person at the Enrollment Center, Room C-019

# FINANCIAL AID

*Designed to meet your needs*

WCTC's Financial Aid office can help you secure financial aid, so you can focus on your studies instead of worrying about how to pay for school. You can use financial aid to offset the cost of tuition, fees, books and supplies. Aid comes in a variety of forms, including loans, grants, work-study and scholarships. Get started by filling out the Free Application for Federal Student Aid (FAFSA) – don't miss out on money that can help you pay for college!

**Loans** ..... Money that must be paid back with interest

**Work-study** ..... Money earned through a job on campus

**Grants and Scholarships** ..... Money that does not need to be repaid

## FINANCIAL AID OFFICE

wctc.edu/finaid | 262.691.5436 | money@wctc.edu

**FAFSA code for WCTC: 005294**

## Scholarships

WCTC offers scholarships for students in nearly every program area, as well as specialty scholarships that benefit non-traditional students, minority students and students with disabilities. A wide variety of external scholarships are also available to WCTC students. These awards can be merit-based, need-based and program- or career-specific and do not need to be paid back. Take the time to apply for scholarships, and your efforts could be richly rewarded.

## WCTC FOUNDATION

wctc.edu/scholarships | 262.691.6202 | foundation@wctc.edu

## Veterans Benefits

Veterans and their dependents are eligible for a variety of state and federal benefits, and WCTC's Armed Forces Student Center is happy to help you navigate the process. Take advantage of additional financial assistance, priority registration and our deployment refund policy.

## ARMED FORCES STUDENT CENTER

wctc.edu/veterans | 262.691.5431 | veterans@wctc.edu

# APPLYING FOR FINANCIAL AID

*Get help paying for college*

## Complete the FAFSA

Once you've been accepted into an eligible WCTC program, complete the FAFSA online at [fafsa.ed.gov](https://fafsa.ed.gov). WCTC's school code is 005294.

### Tips:

- Use the FAFSA worksheet to help you collect the data you'll need for the application.
- Submit by March 31 for additional grant opportunities.

Complete yours early – don't miss out on money that can help you pay for college!

## Track your status

Once you have completed the FAFSA, track your financial aid status on your MyWCTC account. If additional documentation is required, you will be notified.

## View and accept financial aid awards

You'll receive an email at your WCTC address when your award offer is ready for review on MyWCTC. You are not required to borrow, and you may borrow less than the offer. It is important to follow all instructions on the award offer, as there may be additional steps you must complete before your aid will disburse.

## Apply for scholarships

The WCTC Foundation offers many scholarships that can help you pay for tuition and books. Apply on MyWCTC by June 30 for fall semester and by October 31 for spring.

FULL-TIME AND FIRST-TIME STUDENTS WHO ATTEND

**A 2-YEAR COLLEGE**

**77%**

RECEIVE FINANCIAL AID

# MEET NOAH AND RACHAEL WILEY

*Siblings get college start while in high school*

IT-Computer Support Specialist grad Noah Wiley came to WCTC in his senior year of high school in 2017-18 to get a head start on his education and explore what WCTC had to offer, so he signed up for the Dual Enrollment Academy (DEA)'s IT Systems Specialist program. DEA provides high school students with a unique opportunity to earn college credits at WCTC while exploring potential careers.

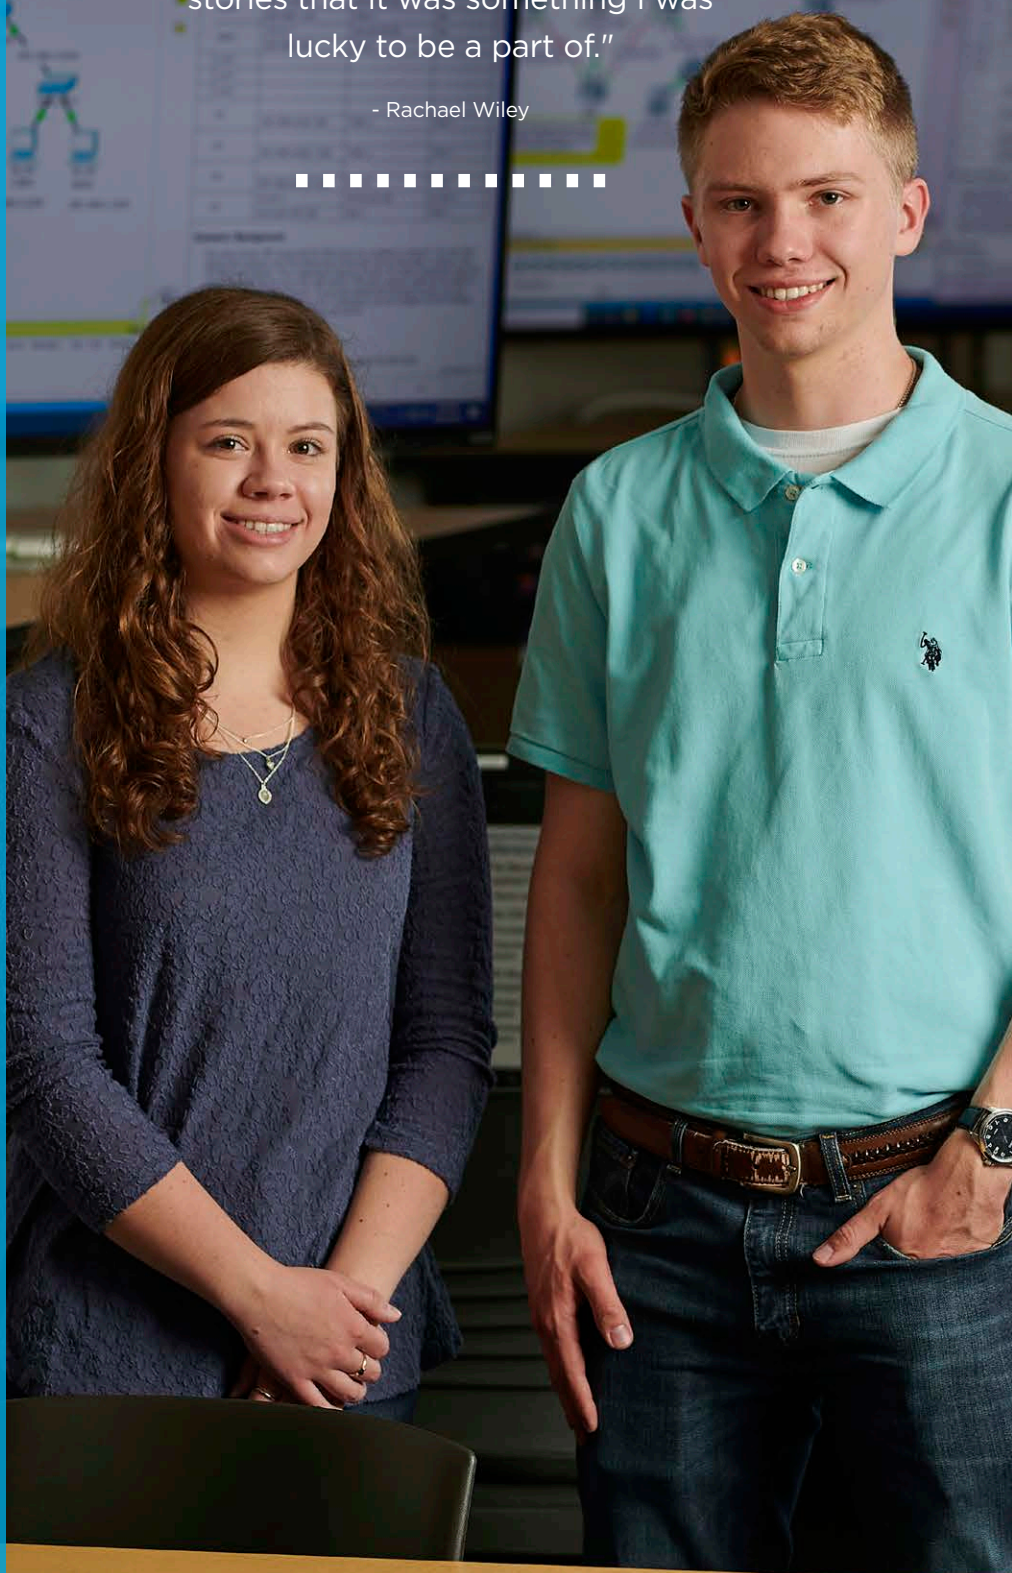

I thought it was a great way to start college early and gain valuable experience for future jobs, said Noah, who graduated in December 2019 with a job in his field. Noah's younger sister, Rachael, decided to follow her brother's path. She completed the same DEA program—just one year later—and is now in the IT-Computer Support Specialist program.

"Being in the same program is also interesting because we have similar interests in the IT field," said Rachael. "At the same time, we have both had very different work experiences because IT has so many different paths." Each DEA program has its own possibilities for further education and future careers in high-demand fields like automation systems, welding/fabrication, early childhood education and more.

“This program is really amazing

and puts students strides ahead, and I knew from countless success stories that it was something I was lucky to be a part of.”

- Rachael Wiley

# HIGH SCHOOL DUAL CREDIT

*Get a head start in high school*

## Dual Enrollment Academy (DEA)

High school juniors and seniors can get a head start in careers in high-demand fields and the chance to earn up to 26 college credits and an industry-recognized certificate.

---

## Youth apprenticeship

High school juniors and seniors can take part in a rigorous program that combines academic and technical classroom instruction, paid work experience and mentored on-the-job learning in a skilled career area.

---

## Start College Now

Public high school juniors and seniors can take postsecondary courses at Wisconsin technical colleges during high school, earning college and high school credits simultaneously.

---

## Transcripted credit

Transcripted credit agreements allow students to take WCTC courses at their high school, while earning both WCTC transcripted credit and high school credit. Get a head start by applying this credit toward a WCTC program.

---

## Advanced standing

Advanced standing agreements exist with many area high schools. Students can earn college-level credit at WCTC by receiving a "B" or better in one of the advanced standing courses.

---

## Satisfactory scores on Advanced Placement (AP) Exams

Students can earn credit for a WCTC course by achieving a satisfactory score on AP exams.

## EARLY COLLEGE OPPORTUNITIES

[wctc.edu/hs-dual-credit](http://wctc.edu/hs-dual-credit)

Dual Enrollment Academy, Transcripted Credit, Advanced Standing | 262.691.5591

Youth Apprenticeships, Start College Now | 262.691.5557

# DEFINE YOUR PATH

WCTC offers education to fit your lifestyle

## Pathways

While working toward your associate degree, you'll earn valuable credentials along the way. Or, you can start by stacking credentials to build toward a degree in manageable segments – a perfect approach for the working adult. Each step in a pathway improves career and income potential.

### Associate of Applied Science Degree

Combine hands-on training with critical life skills. Full-time students can achieve a degree within two years.

### Technical Diploma

Hands-on, occupation-specific training that can take as little as one semester, one year or two years to complete.

### Apprenticeship

Earn while you learn with this unique opportunity to combine paid, on-the-job training with related coursework. Get more information at [dwd.wisconsin.gov/apprenticeship](http://dwd.wisconsin.gov/apprenticeship).

### Certificates

Streamlined training opportunities to refine certain skills, master a new subject or broaden career credentials.

## Reading the charts:

### BUSINESS AND MANAGEMENT

Career Area

### SUPPLY CHAIN MANAGEMENT Pathway

Name of Pathway

#### Supply Chain Management

60-CREDIT AAS | [WCTC.EDU/SUPPLY-CHAIN-MANAGEMENT](http://WCTC.EDU/SUPPLY-CHAIN-MANAGEMENT)

How you'll learn:

Businesses of all sizes rely on supply chain management to ensure an efficient flow of goods and services. Learn how to prepare a comprehensive supply chain strategy and how lean principles can improve operations for a more efficient supply chain.

\$47 - 78,000 AVERAGE SALARY\*

**Highest achievement for this path.** Could be an Associate of Applied Science Degree (AAS), Technical Diploma (TD) or Apprenticeship (APPR)

#### Earn along the pathway:

#### Supply Chain Professional

25-CREDIT TD | [WCTC.EDU/SUPPLY-CHAIN-PROF](http://WCTC.EDU/SUPPLY-CHAIN-PROF)

How you'll learn:

Effective supply chain operations ensure an efficient flow of goods and services. Explore transportation, operations management, purchasing, logistics management, and supplier selection and evaluation. Learn how lean principles can improve wasteful processes to increase productivity, work quality and customer/stakeholder satisfaction. Develop skills in accounting, Excel, problem solving and critical thinking.

\$36 - 52,000 AVERAGE SALARY\*

#### PATHWAY CERTIFICATE:

SUPPLY CHAIN SPECIALIST | 12-CREDIT CERT

## ARCHITECTURE AND CONSTRUCTION

**2**  
DEGREES IN  
3 YEARS\*\*

### Architectural Drafting/Construction Technology

**60-CREDIT AAS** | WCTC.EDU/ARCHITECTURAL-TECH

How you'll learn:  

Architectural drafters work with engineers or architects to create technical design solutions as they relate to a building's functionality, performance and aesthetics. In this program, develop knowledge of building materials, systems and construction technology to produce drawings for construction from computer-aided drafting (CAD) applications or cutting-edge, computer-generated virtual models.

\$35 - 55,000 AVERAGE SALARY\*

*"Can be combined with the Interior Design program (page 22) to complete two associate degrees in three years."*

### Construction Management Technology

**60-CREDIT AAS** | WCTC.EDU/CONSTRUCTION-MGMT

How you'll learn:  

Gain the knowledge and skills needed to be a leader in residential, commercial or industrial construction. Hone your technical and engineering skills while exploring the business and management aspects of the industry. Learn how to manage contractors and construction workers to meet project deadlines and overcome potential obstacles.

\$57 - 95,000 AVERAGE SALARY\*

## WHY WCTC?

Dedicated instructors with real-world work experience bring enthusiasm to the classroom.

### Building Trades - Carpentry

**28-CREDIT TD** | WCTC.EDU/CARPENTRY

How you'll learn:  

Carpenters complete jobs large and small - from building highways to installing cabinetry. In this program, become proficient at using power tools, hand tools and other equipment, and work with lumber, fasteners and hardware. Develop skills for framing, roofing and exterior/interior finish work, and study blueprint reading, math and estimating.

\$31 - 59,000 AVERAGE SALARY\*

### Concrete Finishing (ABC)

**12-CREDIT APPR** | WCTC.EDU/CONCRETE

How you'll learn:   on the job

Concrete finishers help build highways, skyscrapers, houses and other concrete structures. They finish flat surfaces such as floors, foundations and roadways, as well as vertical surfaces including walls, beams and girders. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$46 - 73,000 AVERAGE SALARY\*

### Electrician (ABC)

**16-CREDIT APPR** | WCTC.EDU/ELECTRICIAN

How you'll learn:   on the job

Electricians specialize in handling all types of electrical systems for residential and commercial structures. They set up, repair and maintain wiring and electrical components including breaker boxes, switches, light fixtures, and telephone and television wiring. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$47 - 96,000 AVERAGE SALARY\*

AAS = Associate of Applied Science Degree; TD = Technical Diploma; APPR = Apprenticeship; CERT = Certificate

\* Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

## ARCHITECTURE AND CONSTRUCTION (CONTINUED)

## Electricity

**28-CREDIT TD** | [WCTC.EDU/ELECTRICITY](http://WCTC.EDU/ELECTRICITY)

How you'll learn:

Learn to apply key electricity skills and knowledge in commercial, residential and industrial settings. Explore the National Electrical Code and emerging trends in the industry. Learn to read construction drawings and use appropriate safety measures when working with electricity.

\$28 - 39,000 AVERAGE SALARY\*

## Plumbing (ABC)

**16-CREDIT APPR** | [WCTC.EDU/PLUMBING](http://WCTC.EDU/PLUMBING)

How you'll learn:

- on the job

Plumbers possess the skills and knowledge to plan, install and service plumbing systems, which can include those connected to washers, bathtubs, sinks, toilets, and heating and cooling systems. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$45 - 90,000 AVERAGE SALARY\*

## Refrigeration, Air Conditioning and Heating Service Technician

28-CREDIT TD | [WCTC.EDU/HEATING-COOLING](http://WCTC.EDU/HEATING-COOLING)

How you'll learn:

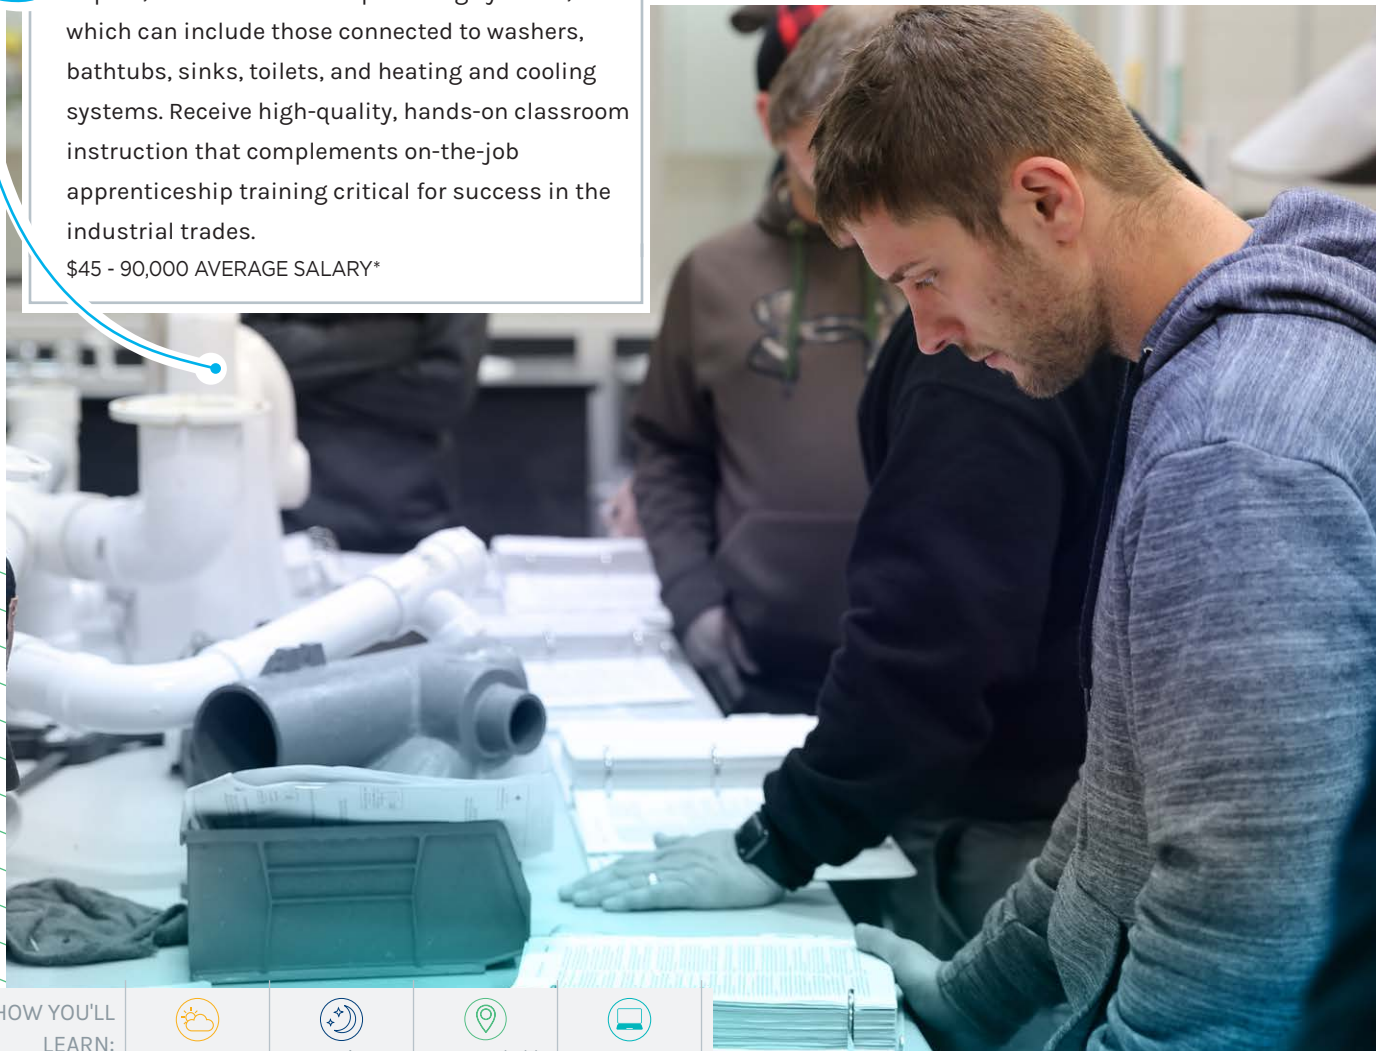

Heating, ventilation and air conditioning systems are critical in residential, commercial and industrial settings, and this field is one of the fastest-growing skilled trades. In this program, learn to safely install, maintain and service HVAC equipment. Also get an introduction to alternative energy systems such as photovoltaic, wind and hydroelectric.

\$43 - 68,000 AVERAGE SALARY\*

**RELATED ARCHITECTURE AND CONSTRUCTION CERTIFICATES:**

REFRIGERATION SERVICE | 9-CREDIT CERT

HOW YOU'LL  
LEARN:

Day-time  
courses

Evening  
courses

Courses held  
on campus

Courses are  
100% Online

## BUSINESS AND MANAGEMENT

### ACCOUNTING Pathway

#### Accounting

**61-CREDIT AAS** | [WCTC.EDU/ACCOUNTING](http://WCTC.EDU/ACCOUNTING)

How you'll learn:    

Accountants play a critical role in the fiscal management of any organization – large or small. The fast-paced business environment depends on sound financial processing, controls and decision-making. Discover how to prepare, interpret and analyze financial information; master accounting fundamentals; and develop extensive computer skills in business-based software programs.   
\$35 - 59,000 AVERAGE SALARY\*

#### Earn along the pathway:

#### Accounting Assistant

**26-CREDIT TD** | [WCTC.EDU/ACCOUNTING-ASST](http://WCTC.EDU/ACCOUNTING-ASST)

How you'll learn:

**3 YEARS\*\***

## Baking and Pastry Management

61-CREDIT AAS | [WCTC.EDU/BAKING-PASTRY-MGMT](http://WCTC.EDU/BAKING-PASTRY-MGMT)

How you'll learn:

Bakers prepare items such as breads, pastries, muffins and other items for general sale or specialty orders. Gain hands-on practice in state-of-the-art baking labs, while focusing on ingredients, techniques and production skills. Develop management skills and expand techniques of production, cost and staff control in the operation of a bakeshop.

\$24 - 36,000 AVERAGE SALARY\*

*"Can be combined with the Hospitality Management program (page 31) to complete two associate degrees in three years."*

### Earn along the pathway:

## Baking and Pastry Production

**27-CREDIT TD** | [WCTC.EDU/BAKING-PASTRY](http://WCTC.EDU/BAKING-PASTRY)

How you'll learn:   

Professional bakers possess the skills and creativity necessary to prepare everything from artisan breads to decadent desserts. Focus on baking concepts, principles and techniques, and devote more than 500 hours to lab course time gaining hands-on practice. Learn to prepare specialty breads, desserts and pastries, and refine techniques in cake production and decorating.

\$28 - 34,000 AVERAGE SALARY\*

### PATHWAY CERTIFICATE:

BAKING/PASTRY | 9-CREDIT CERT

HOW YOU'LL  
LEARN:

Day-time  
courses

Evening  
courses

Courses held  
on campus

Courses are  
100% Online

“I’ve pushed myself outside of my comfort zone so many times throughout my college career. I am grateful for the instructors who take the time to see that and who worked alongside me to get me where I am at today.”

- Kelly Gonzales,  
Baking and Pastry Management '20

## CULINARY MANAGEMENT Pathway

2  
DEGREES IN  
3 YEARS\*\*

### Culinary Management

61-CREDIT AAS | WCTC.EDU/CULINARY-MGMT

How you'll learn:    

Culinary management is a field for those who are passionate about food and business savvy, and want to combine the two for a rewarding career. Devote 1,000-plus lab hours to learn the latest culinary techniques and trends, and gain practical, hands-on experience in meal planning, preparation, presentation and serving at the on-campus training restaurant.

\$22 - 32,000 AVERAGE SALARY\*

\*\* Can be combined with the Hospitality Management program to complete two associate degrees in three years.

### Earn along the pathway:

### Food Service Production

30-CREDIT TD | WCTC.EDU/FOOD-SERVICE

How you'll learn:   

It takes a well-trained kitchen staff to create a memorable dining experience for restaurant patrons, and those in food service production are an integral part of that team. In this program, develop proper cooking methods and learn techniques for hot and cold food preparation, baking and garde manger.

\$20 - 29,000 AVERAGE SALARY\*

### PATHWAY CERTIFICATE:

CULINARY SKILLS | 12-CREDIT CERT

## HOSPITALITY MANAGEMENT Pathway

2  
DEGREES IN  
3 YEARS\*\*

### Hospitality Management

60-CREDIT AAS | WCTC.EDU/HOSPITALITY-MGMT

How you'll learn:    

Those in the hospitality industry know the importance of a warm, welcoming reception and the friendly treatment of guests. The vast industry encompasses management careers in full-service resorts, fine-dining restaurants, cruise ships and more. Develop skills in supervision, budgeting, marketing and purchasing as related to the hospitality industry, including food service, lodging and tourism.

\$31 - 52,000 AVERAGE SALARY\*

\*\* Can be combined with the Baking and Pastry Management (page 30) or Culinary Management program to complete two associate degrees in three years.

### Earn along the pathway:

### Hospitality Specialist

27-CREDIT TD | WCTC.EDU/HOSPITALITY-SPECIALIST

How you'll learn:   

The leisure and hospitality industry includes full-service hotels and resorts, fine-dining restaurants, bed and breakfast inns, cruise ships, casinos, and theme and amusement parks. Those working in this industry train to work in various areas such as lodging, event planning, operations and more. In this program, focus on supervision, budgeting, marketing and purchasing skills.

\$20 - 38,000 AVERAGE SALARY\*

## WHY WCTC?

Learn using cutting-edge equipment and state-of-the-art technology.

AAS = Associate of Applied Science Degree; TD = Technical Diploma; APPR = Apprenticeship; CERT = Certificate

\* Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

## INFORMATION TECHNOLOGY

### RELATED IT CERTIFICATES:

CISCO CCNA | 9-CREDIT CERT

IT - AZURE AND AWS PUBLIC CLOUD | 3-CREDIT CERT

## IT - COMPUTER SUPPORT SPECIALIST Pathway

## IT - Computer Support Specialist

**61-CREDIT AAS** | [WCTC.EDU/COMPUTER-SUPPORT](http://WCTC.EDU/COMPUTER-SUPPORT)

How you'll learn:   

Computer support specialists install equipment, assist computer users with technology or software issues, troubleshoot when technical or application problems arise, and serve as a resource for end users. Gain skills in problem-solving, team building, service management and interpersonal communication. Become proficient at installing and updating computer software, and working with hardware and networks.

\$40 - 68,000 AVERAGE SALARY\*

## Earn along the pathway:

## Desktop Support Technician

**26-CREDIT TD** | [WCTC.EDU/DESKTOP-SUPPORT](http://WCTC.EDU/DESKTOP-SUPPORT)

How you'll learn:

Desktop support technicians are among the first ones called when a technology problem arises with an employee's computer or a company's network. They provide remote or on-site support, troubleshooting and problem-solving. Develop skills in hardware/software installation and configuration, troubleshooting and problem resolution, customer support and networking fundamentals.

\$29 - 51,000 AVERAGE SALARY\*

### PATHWAY CERTIFICATE:

IT SUPPORT TECHNICIAN | 10-CREDIT CERT

## IT - CYBERSECURITY SPECIALIST Pathway

## IT - Cybersecurity Specialist

**63-CREDIT AAS** | [WCTC.EDU/CYBER-SPEC](http://WCTC.EDU/CYBER-SPEC)

How you'll learn:   

Cybersecurity specialists monitor an organization's computer network and system, maintain system security and upgrade security measures to prevent computer viruses and cyberattacks. Learn to protect data confidentiality, integrity and availability while learning ways to implement security mechanisms. Emphasis is placed on vigilant security awareness, identifying network threats and deploying appropriate incident responses.

\$59 - 94,000 AVERAGE SALARY\*

*"Can be combined with the IT - Network Specialist program (page 33) to complete two associate degrees in three years."*

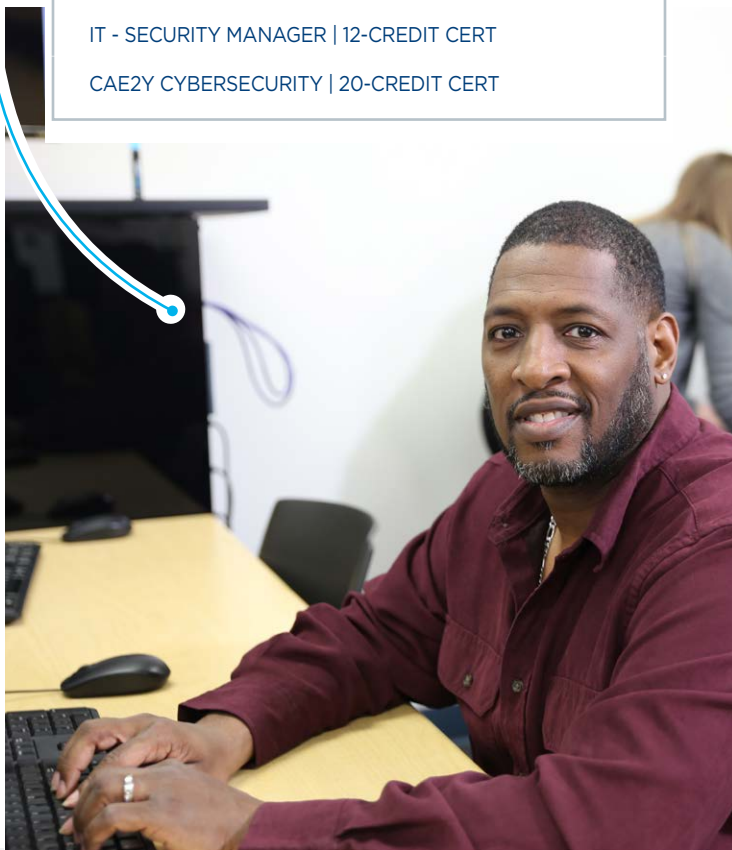

### Earn along the pathway:

### PATHWAY CERTIFICATES:

IT - SECURITY ADMINISTRATOR | 12-CREDIT CERT

IT - SECURITY MANAGER | 12-CREDIT CERT

CAE2Y CYBERSECURITY | 20-CREDIT CERT

Day-time  
courses

Evening  
courses

Courses held  
on campus

Courses are  
100% Online

## IT - Database Specialist

**62-CREDIT AAS** | [WCTC.EDU/DATABASE-SPEC](http://WCTC.EDU/DATABASE-SPEC)

How you'll learn:   

Learn how to support the operational database needs of small to medium businesses including configuration and management of database servers, user permissions on the database and troubleshooting performance issues. Become proficient in data analysis, reporting and data model development. Gain an introduction to data cubes, data analytics and big data.

\$70 - 100,000+ AVERAGE SALARY\*

### Earn along the pathway:

#### PATHWAY CERTIFICATES:

BUSINESS SYSTEMS ANALYST | 9-CREDIT CERT

DATABASE SERVER ADMINISTRATOR | 9-CREDIT CERT

DATABASE DEVELOPER | 14-CREDIT CERT

REPORT ANALYST | 9-CREDIT CERT

## IT - Service Desk Technician

**4-CREDIT APPR** | [WCTC.EDU/IT-SERVICE-APPR](http://WCTC.EDU/IT-SERVICE-APPR)

How you'll learn:

IT service desk technicians are tasked with fielding incoming technical support communications and tickets; troubleshooting; communicating over the phone, email and online chat; and resolving user inquiries. They may also schedule maintenance on computer systems and teach clients to use software programs.

\$42 - \$72,000 AVERAGE SALARY\*

## IT - NETWORK SPECIALIST Pathway

### IT - Network Specialist

**61-CREDIT AAS** | [WCTC.EDU/NETWORK-SPEC](http://WCTC.EDU/NETWORK-SPEC)

How you'll learn:   

Network specialists create and maintain computer systems essential for day-to-day business operations, ensuring network security and connectivity. Install and troubleshoot network and client operating systems, configure routers and switches, and manage remote clients and devices. Explore cloud security, cost and core services, and understand and implement virtualization in an enterprise.

\$59 - 94,000 AVERAGE SALARY\*

*"Can be combined with the IT - Cybersecurity Specialist program (page 32) to complete two associate degrees in three years."*

### Earn along the pathway:

#### Network Enterprise Administrator

**27-CREDIT TD** | [WCTC.EDU/NETWORK-ENTERPRISE-ADMIN](http://WCTC.EDU/NETWORK-ENTERPRISE-ADMIN)

How you'll learn:   

Computer networks are a critical part of almost every organization and affect our daily lives. Network enterprise administrators are responsible for the day-to-day operations and security of these networks. Gain valuable hands-on experience in computer hardware, Cisco networking, Microsoft and Linux operating systems, virtualization/storage technologies and security system hardening techniques.

\$42 - 68,000 AVERAGE SALARY\*

#### PATHWAY CERTIFICATES:

ENTERPRISE SUPPORT TECHNICIAN | 12-CREDIT CERT

IT NETWORK SUPPORT SPECIALIST | 12-CREDIT CERT

STORAGE AND VIRTUALIZATION  
ADMINISTRATOR | 15-CREDIT CERT

CISCO CCNA | 9-CREDIT CERT

**APPLY ONLINE NOW**

[wctc.edu/apply-online](http://wctc.edu/apply-online)

AAS = Associate of Applied Science Degree; TD = Technical Diploma; APPR = Apprenticeship; CERT = Certificate

\* Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

## INFORMATION TECHNOLOGY

## IT - WEB AND SOFTWARE DEVELOPER Pathway

## IT - Web and Software Developer

**64-CREDIT AAS** | [WCTC.EDU/WEB-SOFTWARE](http://WCTC.EDU/WEB-SOFTWARE)

How you'll learn:

Creating interactive, inviting and functional web applications requires the skills of a web and software developer. Learn to develop software solutions using multiple programming languages, tools and frameworks. Apply design patterns, object-oriented analysis and SOLID principles to create robust and scalable applications. Explore web server administration and mobile application development.

**\$61 - 100,000+ AVERAGE SALARY\***

## Earn along the pathway:

## IT - Mobile Programmer

27-CREDIT TD | [WCTC.EDU/MOBILE-PROGRAMMER](http://WCTC.EDU/MOBILE-PROGRAMMER)

How you'll learn:

Mobile programmers develop and program mobile applications and games. Gain valuable technical skills to design and create mobile applications for Android and iOS devices, as well as web-based applications for any mobile device with a browser. This program is designed for those with some industry/educational experience who are looking to strengthen their skill set.

**\$51 - 81,000 AVERAGE SALARY\***

## IT - Software Development Specialist

18-CREDIT TD | [WCTC.EDU/SOFTWARE-DEV-SPECIALIST](https://wctc.edu/software-dev-specialist)

How you'll learn:

Software development specialists work to create and modify general computer applications and software to provide solutions to various business needs. In this program, develop a solid foundation in Java Programming, architecture and database skills. Upon completion of the diploma program, possess the skills to build stand-alone and client-server applications, including web applications.

\$51 - 81,000 AVERAGE SALARY\*

### PATHWAY CERTIFICATE:

JAVA PROGRAMMING | 13-CREDIT CERT

## WHY WCTC?

A wide range of academic support services are designed to help you succeed.

## MANUFACTURING

## AUTOMATION SYSTEMS TECHNOLOGY Pathway

## Automation Systems Technology (Robotics)

60-CREDIT AAS | [WCTC.EDU/AUTOMATION-SYSTEMS](http://WCTC.EDU/AUTOMATION-SYSTEMS)

How you'll learn:

Automated systems have become standard in many industries to provide reliable ways to program and control machine movements. In this program, learn about robotics and programmable logic controllers, discover how automation principles apply to business/industry, and develop skills to work with complex computers and machinery in automated production lines.

**\$45 - 65,000 AVERAGE SALARY\***

## Earn along the pathway:

### PATHWAY CERTIFICATES:

AUTOMATION - INDUSTRIAL PLCS | 8-CREDIT CERT

AUTOMATION - CONTROL AND INTERFACE | 11-CREDIT CERT

## Electrical and Instrumentation

36-CREDIT APPR | [WCTC.EDU/ELECTRICAL-INST](http://WCTC.EDU/ELECTRICAL-INST)

How you'll learn:

Learn to install, troubleshoot and maintain plant lighting equipment and receptacle circuits, motors, starters, motor control centers, programmable controllers, control panels, electrical control systems and transformers. Learn to service high voltage electrical systems in accordance with relevant codes. Learn to install, calibrate, test and repair electronic equipment.

**\$46 - 67,000 AVERAGE SALARY\***

Day-time  
courses

Evening  
courses

Courses held  
on campus

Courses are  
100% Online

## Industrial Electrician

**28-CREDIT APPR** | [WCTC.EDU/INDUSTRIAL-ELEC](http://WCTC.EDU/INDUSTRIAL-ELEC)

How you'll learn:

Industrial electricians work to install, test, troubleshoot, maintain and repair electrical equipment in industrial/commercial settings. They ensure electrical systems run safely and efficiently, as the systems they work on power large, complex facilities. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$32 - 55,000 AVERAGE SALARY\*

## Injection Mold Setup (Plastic)

**16-CREDIT APPR** | [WCTC.EDU/INJECTION-MOLD](http://WCTC.EDU/INJECTION-MOLD)

How you'll learn:

Injection mold machine setters handle the setup and operation of equipment to produce parts by injecting materials, such as plastic, into a cavity and turning the molded pieces into usable parts for a variety of industries. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$32 - 49,000 AVERAGE SALARY\*

## INDUSTRIAL MAINTENANCE TECHNICIAN Pathway

### Industrial Maintenance Technician

**60-CREDIT TD** | [WCTC.EDU/IMT](http://WCTC.EDU/IMT)

How you'll learn:   

Industrial maintenance technicians repair and maintain commercial or industrial machinery to ensure the machines' proper functionality. In this program, gain practical experience in welding, hydraulics, electricity, mechanical fundamentals and machine alignment. Build skills in electronics, computerized equipment maintenance and preventative/predictive maintenance.

\$33 - 56,000 AVERAGE SALARY\*

### Earn along the pathway:

#### PATHWAY CERTIFICATES:

MAINTENANCE TECHNICIAN 1 | 13-CREDIT CERT

MAINTENANCE TECHNICIAN 2 | 9-CREDIT CERT

MAINTENANCE TECHNICIAN 3 | 12-CREDIT CERT

## Machinist

**16-CREDIT APPR** | [WCTC.EDU/MACHINE-APPR](http://WCTC.EDU/MACHINE-APPR)

How you'll learn:

Machinists operate a variety of computer- and mechanically controlled machine tools to produce intricate, precision parts that are used in different industries. They possess the skills to take a single part through an entire operational procedure to completion. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$34 - 50,000 AVERAGE SALARY\*

## Maintenance Mechanic/Millwright

**16-CREDIT APPR** | [WCTC.EDU/MILLWRIGHT](http://WCTC.EDU/MILLWRIGHT)

How you'll learn:

Maintenance mechanics/millwrights install, dismantle, repair, maintain and move heavy industrial equipment based on blueprints, layouts or other drawings. Machine tools, conveyor systems and specialized maintenance equipment are among the types of machinery repaired by maintenance mechanic/millwrights. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$34 - 57,000 AVERAGE SALARY\*

CONNECT WITH WCTC

## MANUFACTURING (CONTINUED)

## Maintenance Technician

**24-CREDIT APPR** | [WCTC.EDU/MAINT-TECH](http://WCTC.EDU/MAINT-TECH)

How you'll learn:

Maintenance technicians perform tasks involving the maintenance, modification and repair of electrical and mechanical systems. Learn safety practices, machine operation and repair, metallurgy, electricity, hydraulics, pneumatics, blueprint reading, motor and logic controls, transformers, electrical codes and how to interpret schematics. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$34 - 57,000 AVERAGE SALARY\*

## Mechatronics Technician

24-CREDIT APPR | [WCTC.EDU/MECHATRONICS](http://WCTC.EDU/MECHATRONICS)

How you'll learn:

Mechatronics technicians combine knowledge of electrical, electronic and mechanical systems. They are tasked with installing, repairing and maintaining equipment and devices, operating industrial computer systems, supporting automation technologies and handling related tasks. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

## METAL FABRICATION/WELDING - ADVANCED Pathway

## Metal Fabrication/Welding - Advanced

**60-CREDIT AAS** | [WCTC.EDU/METAL-FAB-ADV](http://WCTC.EDU/METAL-FAB-ADV)

How you'll learn:

Metal fabrication manipulates metal from one form to another for a particular purpose, while welding fuses parts together. In this program, develop advanced skills involving the intricate planning and preparing a part for cutting, fabrication and welding, and produce parts by employing new techniques and using a variety of materials.

\$36 - 50,000 AVERAGE SALARY\*

### Earn along the pathway:

## Metal Fabrication/Welding

33-CREDIT TD | [WCTC.EDU/METAL-FAB](http://WCTC.EDU/METAL-FAB)

How you'll learn:

Metal fabrication involves preparing and manipulating materials, while welding fuses parts together. In this program, learn to read prints; create the shape of a part for cutting, fabrication and welding; and produce quality parts. Develop skills to program/operate computer-controlled press brakes/shears, plasma arc cutting machines and microprocessor-based power sources.

\$32 - 44,000 AVERAGE SALARY\*

## Welding Technician

**19-CREDIT TD** | [WCTC.EDU/WELDING-TECH](http://WCTC.EDU/WELDING-TECH)

How you'll learn:

Welders fuse metal parts together to create a permanent bond. In this program, develop knowledge of print reading; learn safe handling techniques for gas cylinders, manual and machine oxy-fuel cutting, plasma cutting and air carbon arc cutting; and become introduced to gas metal arc welding/flux core arc welding techniques.

\$32 - 44,000 AVERAGE SALARY\*

### PATHWAY CERTIFICATES:

GMAW/FABRICATOR | 9-CREDIT CERT

INDUSTRIAL LASER OPERATOR | 9-CREDIT CERT

## TOOL AND DIE MAKING Pathway

### Tool and Die Making

**60-CREDIT TD** | [WCTC.EDU/TOOL-DIE](https://wctc.edu/tool-die)

How you'll learn:   

A tool and die maker's craft is an exacting one; the parts they make enable machines to produce various products for different industries. In this program, use state-of-the-art equipment to learn complex and conventional machining, computer numerical control machining and grinding operations. Develop skills in precision work, and make molds/dies.

\$35 - 52,000 AVERAGE SALARY\*

### Earn along the pathway:

#### Machine Tool Operation

**33-CREDIT TD** | [WCTC.EDU/MACHINE-TOOL](https://wctc.edu/machine-tool)

How you'll learn:   

Machinists, or machine tool operators, produce parts to precise specifications, generally from setup to operation. In this program, acquire skills for the safe operation of engine lathes, vertical milling machines and surface grinders. Learn to operate computer numerical control (CNC) machines, interpret engineering drawings and use applied mathematics.

\$31 - 41,000 AVERAGE SALARY\*

#### CNC Setup Technician

**23-CREDIT TD** | [WCTC.EDU/CNC-SETUP-TECH](https://wctc.edu/cnc-setup-tech)

How you'll learn:   

CNC setup technicians read blueprint drawings and convert them to machine code. They operate machines that produce precision parts used in numerous products for various industries. In this program, learn how to interpret prints and make parts to accepted tolerances, and develop skills to program computer numerical control machines.

\$30 - 42,000 AVERAGE SALARY\*

#### PATHWAY CERTIFICATE:

CNC OPERATOR | 14-CREDIT CERT

### Tool and Die Maker

**16-CREDIT APPR** | [WCTC.EDU/TOOL-APPR](https://wctc.edu/tool-appr)

How you'll learn:

Tool and die makers create precision tools or dies that are used to form, cut and shape metal and other materials. They make jigs and fixtures, which hold metal while it is bored, stamped or drilled, along with gauges and other devices. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$36 - 52,000 AVERAGE SALARY\*

### Technical Studies - Journeyworker

**60-CREDIT AAS** | [WCTC.EDU/TECH-STUDIES](https://wctc.edu/tech-studies)

How you'll learn:    

Build on the technical skills developed in your apprenticeship by completing coursework in communications, social science, behavioral science, and math or science. Work with an academic advisor to develop a plan that meets your individual needs and goals.

### Welding

**12-CREDIT APPR** | [WCTC.EDU/WELDING-APPR](https://wctc.edu/welding-appr)

How you'll learn:

Welders work in a wide variety of industries - from automobile manufacturing, shipbuilding, aerospace and many others. Their duties include joining metal parts by fusing them together and creating a permanent bond using different welding techniques. Receive high-quality, hands-on classroom instruction that complements on-the-job apprenticeship training critical for success in the industrial trades.

\$36 - 50,000 AVERAGE SALARY\*

## PROTECTIVE SERVICES

## Criminal Justice Studies

60-CREDIT AAS | [WCTC.EDU/CRIMINAL-JUSTICE](http://WCTC.EDU/CRIMINAL-JUSTICE)

How you'll learn:

Explore the framework of the criminal justice system, and prepare for jobs in a variety of professions or easily transfer into bachelor's degree programs at select four-year colleges. Develop critical life skills necessary for any public safety or human service job.

\$24 - 66,000 AVERAGE SALARY\*

Criminal Justice Studies -  
Law Enforcement Academy

How you'll learn:

WCTC's Criminal Justice - Law Enforcement Academy prepares you to become certified as a law enforcement officer and enhances your ability to gain employment with a law enforcement agency. Build upon your previous classroom knowledge through additional training in topics such as defense and arrest tactics, emergency vehicle operation, firearms and vehicle contacts.

\$47 - 57,000 AVERAGE SALARY\*

“ Though it was difficult at times, I was able to find a balance between work, school, and friendships, and was able to complete my associate degree in Early Childhood Education with a 4.0 GPA and no student debt.”

- Reagan Larson,  
Early Childhood Education '20

HOW YOU'LL  
LEARN:

Day-time  
courses

Evening  
courses

Courses held  
on campus

Courses are  
100% Online

## FIRE MEDIC Pathway

### Fire Medic

**66-CREDIT AAS** | [WCTC.EDU/FIRE-MEDIC](http://WCTC.EDU/FIRE-MEDIC)

How you'll learn:    

Fire medics cross-train in the areas of emergency medical services and fire protection/suppression. They respond to all types of emergencies, such as house fires, traffic accidents and rescue situations. Develop skills in emergency medical response at the paramedic technician level; learn about fire behavior, firefighter safety and survival; and develop critical thinking skills for effective emergency response.

\$31 - 59,000 AVERAGE SALARY\*

### Earn along the pathway:

### Paramedic Technician (diploma)

How you'll learn:   

**38-CREDIT TD** | [WCTC.EDU/PARAMEDIC-TECH](http://WCTC.EDU/PARAMEDIC-TECH)

Paramedics provide emergency pre-hospital care to those experiencing a medical emergency such as illness, injury or trauma. In the diploma program, develop skills in emergency medical systems and paramedic principles; patient assessment; pharmacology, anatomy and physiology; paramedic respiratory and cardiac management; pre-hospital treatment and care; EMS operations; and caring for special populations.

\$30 - 34,000 AVERAGE SALARY\*

I value my education greatly and work very hard to be the best student I can be. I am proud to reflect on my time here and truthfully say I put 110% into my education at WCTC, and I received

*110% back."*

- Austin Brewer,  
Fire Protection Technician '19

## FIRE MEDIC Pathway Continued

### Advanced EMT

**4-CREDIT TD** | [WCTC.EDU/AEMT](http://WCTC.EDU/AEMT)

How you'll learn:   

Emergency medical technicians perform certain medical procedures, provide ambulance transportation and administer pre-hospital care in preparation for getting patients to an emergency department. In this program, participate in advanced-level clinical experiences, and gain skills in IV access and fluid therapy as well as administration of aspirin, 50 percent dextrose, Narcan, Atrovent, epinephrine, glucagon and nitroglycerin.

\$26 - 30,000 AVERAGE SALARY\*

### Emergency Medical Technician

**5-CREDIT TD** | [WCTC.EDU/EMT](http://WCTC.EDU/EMT)

How you'll learn:   

Emergency medical services providers are the first to respond to emergency calls. In this program, develop the skills and knowledge necessary to assess and manage all types of injuries and acute illnesses, while providing safe and rapid transport to a medical facility. Learn about airway management, bleeding and shock, emergency childbirth and automated defibrillation.

\$26 - 30,000 AVERAGE SALARY\*

## WHY WCTC?

Quality higher education you  
can actually afford.

AAS = Associate of Applied Science Degree; TD = Technical Diploma; APPR = Apprenticeship; CERT = Certificate

\* Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

## PROTECTIVE SERVICES (CONTINUED)

## FIRE PROTECTION TECHNICIAN Pathway

## Fire Protection Technician

**60-CREDIT AAS** | [WCTC.EDU/FIRE](http://WCTC.EDU/FIRE)

How you'll learn:  

Firefighters protect life, property and the environment through fire suppression, hazardous materials mitigation and emergency medical services. They also improve their communities through fire prevention activities. Learn from experienced firefighters and practice skills using state-of-the-art training facilities and equipment. Being a member of a fire department is highly recommended, but it is not an admissions requirement.

\$32 - 64,000 AVERAGE SALARY\*

### Earn along the pathway:

## PARAMEDIC TECHNICIAN Pathway

## Paramedic Technician (degree)

60-CREDIT AAS | [WCTC.EDU/PARAMEDIC](http://WCTC.EDU/PARAMEDIC)

How you'll learn:   

Paramedics provide advanced-level care during medical emergencies. Their quick response and competent care may mean the difference between life and death for those injured, wounded or sick. Learn to perform comprehensive patient assessments, provide advanced cardiac life support, administer medications and perform interventions.

\$34 - 43,000 AVERAGE SALARY\*

### Earn along the pathway:

## Paramedic Technician (diploma)

38-CREDIT TD | [WCTC.EDU/PARAMEDIC-TECH](http://WCTC.EDU/PARAMEDIC-TECH)

How you'll learn:   

Paramedics provide pre-hospital treatment and care during medical emergencies. Develop skills in emergency medical systems and paramedic principles; patient assessment; pharmacology, anatomy and physiology; paramedic respiratory and cardiac management; EMS operations; and caring for special populations.

\$30 - 34,000 AVERAGE SALARY\*

## Advanced EMT

**4-CREDIT TD** | [WCTC.EDU/AEMT](http://WCTC.EDU/AEMT)

How you'll learn:   

Emergency medical technicians perform certain medical procedures, provide ambulance transportation and administer pre-hospital care. Participate in advanced-level clinical experiences and gain skills in IV access, fluid therapy and administering aspirin, 50 percent dextrose, Narcan, Atrovent, epinephrine, glucagon and nitroglycerin.

**\$26 - 30,000 AVERAGE SALARY\***

## Emergency Medical Technician

**5-CREDIT TD** | [WCTC.EDU/EMT](http://WCTC.EDU/EMT)

How you'll learn:   

Emergency medical services providers are the first to respond to emergency calls. Develop skills to assess and manage all types of injuries and acute illnesses, while providing safe and rapid transport to a medical facility. Learn about airway management, bleeding and shock, emergency childbirth and automated defibrillation.

\$26 - 30,000 AVERAGE SALARY\*

## SCIENCE, TECHNOLOGY, ENGINEERING AND MATH (STEM)

### Biomedical Electronics Technology

**70-CREDIT AAS** | [WCTC.EDU/BIO-MEDICAL](http://WCTC.EDU/BIO-MEDICAL)

How you'll learn:   

With a reliance on technology to test and monitor patients, biomedical electronics technicians ensure medical equipment is safe, functional and properly set up. In this program, gain skills to work with technical equipment, including bedside monitor systems, electrocardiogram (EKG) machines and other devices related to patient care. Learn to install, test, calibrate and repair biomedical equipment.

\$41 - 64,000 AVERAGE SALARY\*

*This is a Milwaukee Area Technical College partnership program.*

### Electrical Engineering Technology

**70-CREDIT AAS** | [WCTC.EDU/ELECTRICAL-ENG](http://WCTC.EDU/ELECTRICAL-ENG)

How you'll learn:   

Electrical engineering technologists' work involves the design, development, production, testing, manufacturing and repair of electronic and electrical equipment. In this calculus-based program, gain skills necessary to apply knowledge of electrical theory to numerous settings, including research and development, manufacturing, field service engineering among others.

\$42 - 65,000 AVERAGE SALARY\*

### Electronics Systems Technology

**60-CREDIT AAS** | [WCTC.EDU/ELECTRONICS](http://WCTC.EDU/ELECTRONICS)

How you'll learn:   

Develop the skills needed to design, fabricate, test, troubleshoot and repair electronic systems. Gain hands-on skills with microcontrollers, communications, data acquisition, electronic assembly, motors and controls, programmable logic controllers and mechanical repair. Learn to effectively use hand tools and electronic test equipment.

\$42 - 65,000 AVERAGE SALARY\*

## MANUFACTURING ENGINEERING TECHNOLOGY Pathway

### Manufacturing Engineering Technology

**60-CREDIT AAS** | [WCTC.EDU/MFG-ENG](http://WCTC.EDU/MFG-ENG)

How you'll learn:   

Manufacturing engineering technology blends knowledge from multiple subject areas, such as science, math, computers and mechanical/electrical engineering to solve problems in manufacturing. Technicians assist engineering and management in the creation of new products and improvement of production processes. In this program, develop a comprehensive background in manufacturing and lean processes, automated manufacturing and modern design methods

\$41 - 59,000 AVERAGE SALARY\*

### Earn along the pathway:

**PATHWAY CERTIFICATE:**

LEAN ENTERPRISE | 12-CREDIT CERT

### Mechanical Design Technology

**60-CREDIT AAS** | [WCTC.EDU/MECH-DESIGN](http://WCTC.EDU/MECH-DESIGN)

How you'll learn:   

Mechanical designers combine design skills with mechanics to develop complex visual plans that assist engineers in creating specific products. These technical renderings show intricate details, dimensions and structures, and indicate materials and procedures. In this program, study computer-aided drafting using current computer-aided design applications, and learn about manufacturing processes, material strength, basic mechanisms and three-dimensional modeling.

\$46 - 60,000 AVERAGE SALARY\*

AAS = Associate of Applied Science Degree; TD = Technical Diploma; APPR = Apprenticeship; CERT = Certificate

\* Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

## SCIENCE, TECHNOLOGY, ENGINEERING AND MATH (STEM) (CONTINUED)

## Mechanical Engineering Technology

**66-CREDIT AAS** | [WCTC.EDU/MECH-ENG](http://WCTC.EDU/MECH-ENG)

How you'll learn:   

Mechanical engineers solve problems and determine functional solutions through math, science and technology. In this program, learn how to model design concepts in two and three dimensions. Use calculus to analyze forces, determine how they influence motion, and assess the combined stresses they produce within materials. Specify engineering design parameters and select materials for given applications.

\$41 - 59,000 AVERAGE SALARY\*

**RELATED STEM CERTIFICATES:**

MECHATRONICS FOR ELECTRONIC  
TECHNICIANS | 17-CREDIT CERT

## TRANSPORTATION

## Automotive Technology - GM ASEP option

**60-CREDIT AAS** | [WCTC.EDU/AUTO-GM](http://WCTC.EDU/AUTO-GM)

How you'll learn:  

This program addresses the growing need for highly professional, competent technicians in automotive dealerships. Learn on the latest automotive vehicles, components, educational materials and cutting-edge equipment available. Develop knowledge on engines, fuel management, electronics, transmissions/transaxles, brakes and air conditioning. This specialized program emphasizes repairing, servicing and maintaining vehicles within the General Motors (GM) brand.

**\$29 - 55,000 AVERAGE SALARY\***

## AUTOMOTIVE TECHNOLOGY Pathway

## Automotive Technology - General Option

**60-CREDIT AAS** | [WCTC.EDU/AUTO-GENERAL](http://WCTC.EDU/AUTO-GENERAL)

How you'll learn:  

This program addresses the growing need for highly professional, competent technicians to work in automotive dealerships. Learn on the latest automotive vehicles, components, educational materials and state-of-the-art equipment available. Develop knowledge on engines, fuel management, electronics, transmissions/transaxles, brakes and air conditioning, and get an introduction to hybrids and diesel technology.

\$28 - 54,000 AVERAGE SALARY\*

### Earn along the pathway:

## Automotive Maintenance Technician

**45-CREDIT TD** | [WCTC.EDU/AUTO-MAIN-TECH](http://WCTC.EDU/AUTO-MAIN-TECH)

How you'll learn:  

Automotive maintenance technicians use high-tech and traditional equipment to complete service work, replace worn parts and conduct diagnostic tests on vehicles. In this program, gain skills to work on engines, drive trains, brakes, electrical, steering and suspension systems. Develop knowledge of hybrid vehicle safety, advanced chassis systems, and transmissions and transaxles. Training combines classroom and lab instruction.

\$22 - 39,000 AVERAGE SALARY\*

## Automotive Maintenance and Light Repair

21-CREDIT TD | [WCTC.EDU/AUTO-MAIN-LIGHT-REPAIR](https://wctc.edu/AUTO-MAIN-LIGHT-REPAIR)

How you'll learn:  

Automotive technicians use computerized equipment and traditional tools to complete basic repairs, handle routine maintenance and conduct diagnostic tests on cars and light trucks. In this program, gain skills to work on a variety of systems such as engine, drive train, brakes, electrical, steering and suspension. Training includes classroom and lab instruction.

\$22 - 39,000 AVERAGE SALARY\*

### PATHWAY CERTIFICATES:

AUTOMOTIVE BASICS | 8-CREDIT CERT

AUTOMOTIVE LEADERS | 12-CREDIT CERT

YOU'LL  
LEARN:

Day-time  
courses

### Evening courses

Courses held  
on campus

Courses are  
100% Online

## DIESEL EQUIPMENT TECHNOLOGY Pathway

### Diesel Equipment Technology

**60-CREDIT AAS** | [WCTC.EDU/DIESEL](http://WCTC.EDU/DIESEL)

How you'll learn: 

As the commercial truck driving industry has experienced growth, so has the need for trained technicians to service and repair heavy-duty equipment and vehicles. In this program, receive training in diesel engines, suspension and steering, electronics, drive train, hydraulics, brakes and preventive maintenance, heavy equipment welding, heavy equipment fuel systems, as well as HVAC and refrigeration systems.

\$33 - 57,000 AVERAGE SALARY\*

### Earn along the pathway:

### Diesel Equipment Mechanic

**28-CREDIT TD** | [WCTC.EDU/DIESEL-MECHANIC](http://WCTC.EDU/DIESEL-MECHANIC)

How you'll learn: 

Diesel mechanics are tasked with fixing and maintaining diesel engines, systems and components. Discover the fundamentals of diesel equipment and maintenance repair, learn to diagnose problems, and make necessary adjustments and repairs to diesel vehicles. Receive training in diesel engines, suspension and steering, preventative maintenance, and electrical and electronic systems.

\$26 - 42,000 AVERAGE SALARY\*

### Truck Driving (CDL Class A)

**12-CREDIT TD** | [WCTC.EDU/TRUCK](http://WCTC.EDU/TRUCK)

How you'll learn: 

Truck drivers transport goods from one point to another, oftentimes traveling through multiple states and navigating adverse road and weather conditions. In this program, prepare to earn a Class A Commercial Truck Driver's License. Gain knowledge of federal and state regulations, safety procedures, hazardous materials, bills of lading, loading and securing, and air brake systems.

\$37 - 53,000 AVERAGE SALARY\*

AAS = Associate of Applied Science Degree; TD = Technical Diploma; APPR = Apprenticeship; CERT = Certificate

\* Salary range estimates based on wages for related occupations in Waukesha County as reported by Economic Modeling Specialists International (EMSI). Individual wages may vary based on experience, industry, location and specific job requirements.

# BUILDING ON YOU

## Credit for prior skills and employer tuition assistance

### Credit for prior learning

Save time, save money and earn credit for what you already know. Earn credit for the college-level knowledge and skills that you've already acquired through advanced high school classes, previous college coursework, self-study, military training, work or volunteer experience. Credit for prior learning comes in a variety of forms:

- High school dual credit
- Transfer credits from other colleges
- Credit by national exams
- Credit by WCTC assessment
- Credit for military experience

Reach your goals faster and more affordably with prior learning credits at WCTC.

### CREDIT FOR PRIOR LEARNING

[wctc.edu/prior-learning](http://wctc.edu/prior-learning) | 262.691.5200 | [info@wctc.edu](mailto:info@wctc.edu)

### Employer tuition assistance

Many area employers offer tuition assistance programs that can help you continue your education. You may be eligible to complete job-related coursework at no cost to you. Check with your employer's HR department to find out more about the amount and types of tuition assistance that may be available.

“The instructors and staff are accommodating and understanding. *They get it!* I attend night school and I work full time plus. My work is consuming and the added night classes to my schedule are difficult to maintain. The WCTC experience builds from these needs. The staff understands what students need to achieve success.”

- Nicholaus Wiberg,  
Web and Digital Media Design '19

# EMPLOYABLE TALENTS

*Get immersed in careers*

Employers regularly rely on technical college graduates to fill the skilled roles that keep their companies competitive.

---

## Practicum and clinical experiences

Get hands-on practice in real-world settings. These experiences are designed for those in the education, human services, healthcare and emergency medicine fields. In occupational settings, you'll apply skills under the supervision of instructors or other experienced practitioners.

---

## Internships

For most programs within our schools of Business and Applied Technologies, advanced, hands-on work experience takes the form of paid internships. In these, an on-site employer will manage your workload, while instructors will meet with the employer to monitor your progress.

## CAREER CONNECTIONS

[wctc.edu/career-connections](http://wctc.edu/career-connections) | 262.691.7848

## WHY WCTC?

Individualized attention from instructors who have years of experience in the field. Hands-on training on cutting-edge equipment in state-of-the-art facilities. Respect of area employers and industry leaders. Credit for prior learning and easy transfer opportunities. These are just a few of the reasons students choose WCTC. We strive to give our students everything they need to succeed – in class, on campus and in their future careers.

### Academic services

Whatever your academic journey looks like, WCTC is here to help you succeed. Explore our wide variety of academic resources, including:

- Welcoming study spaces
- Disability accommodations
- Career Connections
- Peer tutoring
- Academic advising
- Study skills and test-taking strategies
- Academic support in reading, writing, math, science and more

### ACADEMIC SUPPORT

[wctc.edu/academic-support](http://wctc.edu/academic-support) | 262.691.5311

### Campus support

Make your college experience one to remember! Take advantage of all that WCTC's beautiful campus has to offer, including:

- Student Enrichment Center
- Bookstore
- TechEx Center
- Fitness Center
- Style and Class Salon
- Student Development Center
- Free campus parking
- Armed Forces Student Center
- Dining options, including the Classic Room and Bistro
- Multicultural Resource Center
- Counseling services
- Student clubs and events

# TRANSFER OPPORTUNITIES AFTER WCTC

## Take the next step in your educational journey

If you're interested in continuing your education at a four-year college or university, WCTC makes it easy. Numerous transfer agreements allow our degree graduates to transfer credits into a baccalaureate program, often at junior-level standing.

ALVERNO COLLEGE

CARDINAL STRITCH UNIVERSITY

CARROLL UNIVERSITY

CONCORDIA UNIVERSITY

HERZING UNIVERSITY

KAPLAN UNIVERSITY

LAKELAND COLLEGE

MARIAN UNIVERSITY

MARQUETTE UNIVERSITY

MILWAUKEE SCHOOL OF  
ENGINEERING

MOUNT MARY UNIVERSITY

OTTAWA UNIVERSITY

UW-GREEN BAY

UW-LACROSSE

UW-MILWAUKEE

UW-OSHKOSH

UW-PLATTEVILLE

UW-STOUT

UW-WHITEWATER

WISCONSIN LUTHERAN  
COLLEGE

## Unique partnerships

### Bachelor's degree completion options

#### ELECTRICAL AND MECHANICAL ENGINEERING

Transfer your WCTC credits to UW-Milwaukee or Marquette University and begin your bachelor's degree in Engineering at junior-level standing. Additionally, you can transfer to Milwaukee School of Engineering (MSOE) in their transfer track Engineering programs.

#### EARLY CHILDHOOD EDUCATION

Complete the Early Childhood Education associate degree at WCTC, and you can directly transfer up to 50 credits to UW-Whitewater's Early Childhood Education BSE program.

#### NURSING - ASSOCIATE DEGREE

Complete your associate degree in Nursing at WCTC, then take the national licensing exam to become a Registered Nurse. Continue your journey and earn your BSN at Mount Mary University, Concordia University and countless other institutions in as little as two years.
